Dear Mr. Connors

Re: Transfer of RCRA Permit
Safety-Kleen (Wichita), Inc.
Wichita, Kansas
RCRA ID# KSD007246846

We have received revised permit applications for the above referenced facility. We have also received a copy of the agreement between Safety-Kleen and Clean Harbors establishing the transfer date for the operations of the above facilities as August 30, 2002, (which was subsequently extended until September 7, 2002).

Therefore, we believe the requirements for transferring the permits found at 40 CFR 270.40(b) have been met. Subject only to the closing of the transaction described above, the RCRA permits for the above referenced facilities will be transferred to Clean Harbors, Inc. You must provide financial assurance for closure of the facilities to EPA within six months of the date of the change in ownership and operational control to Clean Harbors.

Please contact me at (913) 551-7547 if you have any questions regarding the transfer.

Sincerely,

Bill Lowe
Project Manager
